Joomla Template

For Beauty & Fashion Websites

The screenshot displays the Florence Joomla Template website. At the top, the brand name "Florence" is prominently displayed above a subtitle "HAIR STYLING STUDIO". A navigation bar below the title includes links for "HOME", "LOOKBOOK", "SERVICES", "ABOUT", "CAREERS", "CONTACT", and "BLOG", along with social media icons for YouTube and Instagram.

The main visual features a large, elegant photograph of a woman with long, dark hair, looking upwards with her hand near her face. Below this, a secondary image shows a woman with blonde hair, also looking upwards. To the right of the main image, the text "The Beauty" is written in a stylized font, followed by a descriptive subtitle: "We do everything to make you look good, from hair coloring, straightenings to extensions."

The overall design is clean and modern, utilizing a color palette of soft pastels and earth tones.
